YOUR JOURNEY

EDHEC Business School's Master in Management offers three tracks: in Business Management, in Finance and in Global Economic Transformation & Technology.

THE BUSINESS MANAGEMENT TRACK

PREPARING YOU FOR AN INTERNATIONAL MANAGEMENT CAREER

The MiM - Business Management is a two-year academic program taught entirely in English. The courses offer comprehensive and rigorous training, providing you with the theoretical knowledge and practical skills you need for an international management career. You will learn the fundamentals of business management and develop the professional and interpersonal skills recruiters seek. The MiM - Business Management is a double degree course, combining a Master in Management degree and a Master of Science degree and benefitting from centre-of-research expertise and the support of our corporate partners.

MSc in Creative Business & Social Innovation

MSc in Global & Sustainable Business

LL.M. in Law & Tax Management

MSc in Marketing Analytics

MSc in Data Analytics & Artificial Intelligence

MSc in Entrepreneurship & Innovation

MSc in Marketing Management

MSc in Strategy, Organisation & Consulting

THE FINANCE TRACK

PREPARING YOU FOR A SUCCESSFUL CAREER IN FINANCE

The MiM - Finance, based in Nice, is a full-time course taught entirely in English and designed specifically for individuals wishing to pursue an international career in finance. This program trains students for careers in asset management, trading, investment banking and finance, corporate finance, sustainable finance, risk management, audit and management control. It also benefits from the expertise of our research centres - in particular, our international financial research centre, the EDHEC-Risk Institute - and the support of our partners: Amundi, Crédit Agricole Nord de France, CACIB, Mazars, PwC, Société Générale, CFA Institute, GARP, CFTE London and MINES ParisTech Sophia Antipolis.

MSc in Accounting & Finance

MSc in Corporate Finance & Banking

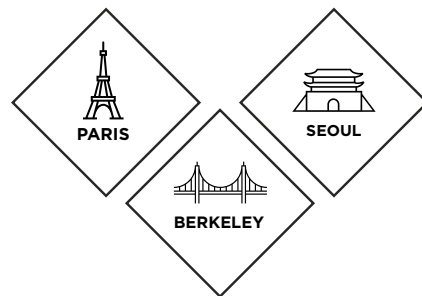

MSc in Financial Engineering

MSc in Climate Change & Sustainable Finance

THE GLOBAL ECONOMIC TRANSFORMATION & TECHNOLOGY (GETT) TRACK

GAIN ACADEMIC EXCELLENCE WITH A TECH FOCUS ON 3 CONTINENTS

The MiM - Global Economic Transformation & Technology is a recent and pioneering track in the business education landscape. Its innovation and technology focus will take you on an academic journey from Paris to the SKK Graduate School of Business in Seoul, Korea and the Berkeley Haas School of Business at the University of California, Berkeley (details p. 6).

APPRENTICESHIP PROGRAM

WORK WHILE YOU STUDY

As part of the MiM - Business Management, you can choose our Apprenticeship program. The 24-month part-time program is run from our Paris campus, after an initial four-month period in Lille. The program alternates between one week of classroom attendance and three weeks of on-site work experience, offering a unique opportunity to combine theory and practice and to develop highly marketable skills. You will earn a monthly salary and the remainder of your tuition fees will be paid by your company. A good knowledge of French is highly recommended for positions in France.

GAIN INTERNATIONAL WORK EXPERIENCE

EDHEC's MiM offers you an outstanding opportunity to gain your first work experience and bolster your international profile with two six-month internships.

The EDHEC Career Centre will guide you through your internship search, so you can acquire the skills you need to achieve your career goals.

SHAPE YOUR INTERNATIONAL PROFILE WITH OUR DOUBLE DEGREE OR EXCHANGE PROGRAM

180+ partner universities*

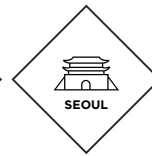

585 exchange and double-degree places

23 double-degree partners and strategic alliances

For a summer, semester or year, EDHEC MiM students have the opportunity to study at one of our partner universities. You can avail of one of EDHEC's double-degree agreements with a leading international university in place of your second year at EDHEC, you can complete a short-term or full-year exchange in your final year or embark on a semester-long exchange between the first and second years of your master's program. The eight-week Stanford Summer Session/ International Honors Program (SIHP) combines top-notch teaching with cultural, social and geographical activities and will earn you a Stanford SIS Certificate. A wide array of programs are available in topics such as innovation, data management, verbal communication and economics.

*Please note that partner university agreements are specific to either Business Management or Finance track students.

MASTER IN MANAGEMENT GLOBAL ECONOMIC TRANSFORMATION & TECHNOLOGY (GETT) TRACK

GAIN CUTTING-EDGE INTERNATIONAL EXPOSURE TO TECH AND BUSINESS

The EDHEC Master's in Management (MiM) - Global Economic Transformation & Technology (GETT) is a pioneering program in the business-education landscape, designed to prepare students for leadership in technology and innovation management in various industries.

You will embark on a journey through three continents to places where innovation and technology are changing tomorrow's world and study in some of the world's most reputable institutions — EDHEC Business School in Paris, Sunkyunkwan University Graduate School of Business in Seoul and Haas School of Business, University of California, Berkeley.

You will engage with the new economy and become an active player in it. You can tailor your curriculum thanks to a choice of electives and, in the process, gain a global vision of the trends impacting the world.

You will sharpen your analytical skills, so you can decipher even the faintest of signals and better anticipate trends, identify business opportunities and lead projects in new and uncertain situations. Your awareness of sustainable development issues, your technical skills – in finance, data and market analysis — will evolve and grow.

The international experience will also change you, by taking you out of your comfort zone and opening your mind to global business transformation. On completing your academic journey, you will know how to question the status quo, participate in developing new business models and drive change in the new and old economies at an individual, organisational and societal level.

You will think like a pioneer.

Upon successful completion of the program, you will be awarded:

INDIVIDUAL NEEDS AND
CAREER GOALS

KICKSTART YOUR GLOBAL CAREER WITH EDHEC CAREER BOOSTER

Understanding and developing the attributes and skills employers require is key to employability. This is why the EDHEC Career Centre offers a program specifically designed to help master's students define and achieve their career goals — the **EDHEC Career Booster**. The program looks at students' specific needs, wants and goals in the context of their professional development and matches them to job-market requirements.

YOUR CAREER GOALS

Through a four-step program, which includes self- and 360-degree assessment, you will get to know yourself better, identify your strengths, key attributes and areas for development, and define your career goals and job-search strategy. You will benefit from year-round individual career advice from dedicated counsellors, external experts and coaches, both on campus and remotely, as well as personalised coaching based on our in-house assessment.

YOUR CAREER TRAINING

Through voluntary and mandatory career training, workshops, CV clinics and assessment centres, you will hone your skills and learn to master the most competitive recruitment processes. You will benefit from customised training by industry, market and function, in addition to individual mock interviews, including technical interviews and case practice. The EDHEC Career Centre also offers a fully online career development program that allows you to train at your own pace, in line with your goals.

YOUR CAREER OPPORTUNITIES

EDHEC Career Centre organises more than 120 events annually, focusing on industry-specific insights or jobs, market trends and companies. It also organises four company trips to Dublin, London, Luxembourg and Paris. You will have access to exclusive internships and job offers.

60,000 internship and **33,500** job offers posted on EDHEC's dedicated jobs board every year

40% international mobility in our master's degrees

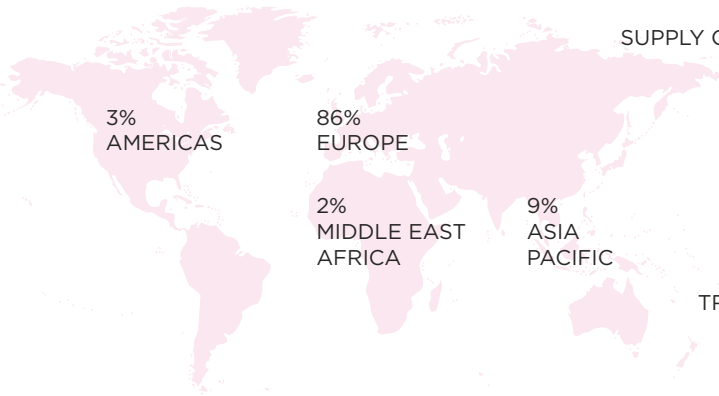

400+ companies involved in our events every year, **20%** of them international

100+ corporate partners

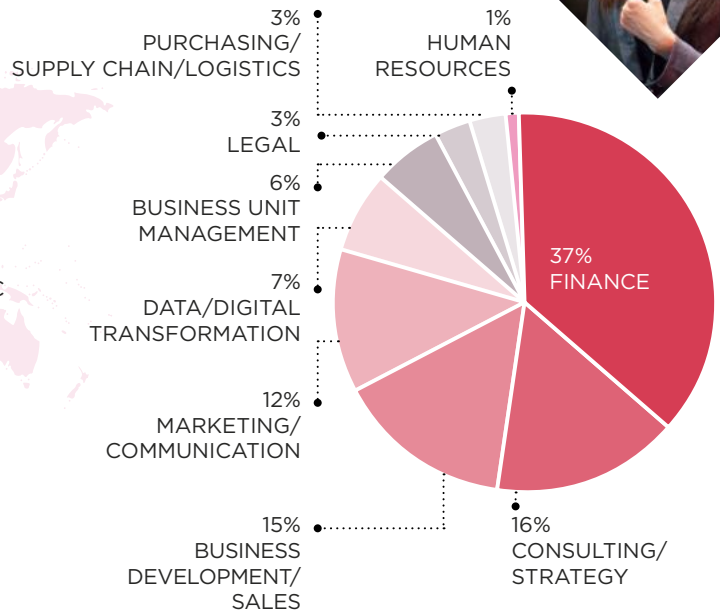

300+ regular recruiters

SETTLING IN FRANCE MADE EASY

Moving to a foreign country can be daunting. It is reassuring, therefore, to know that you can rely on the International Students Office, which welcomes more than 3,000 international students annually, to help you settle in smoothly. The ISO team helps EDHEC's international students with all kinds of administrative matters and is there to lend them support in daily life.

> INTERNATIONAL STUDENTS OFFICE

— A team you can trust

The ISO assists students with all administrative procedures prior to their arrival on campus and helps them to adapt to life in France. The team stands ready to help students with questions pertaining to the French medical system, medical insurance, housing options and much more.

> ACCOMMODATION

— Finding you a home away from home

The ISO helps students to find suitable accommodation.

> VISAS AND RESIDENCE PERMITS

— Untangling the red tape

EU nationals

European Union students can live and study in France as long as they have a national ID card. No passport or visa are required.

Non-EU nationals

Before arriving in France, students from outside the European Union must obtain a student visa from the French embassy or consulate in their country of origin or permanent residence. Non-EU students must also have a valid passport from their country of origin.

> SETTLING IN

— Meeting your new-found friends

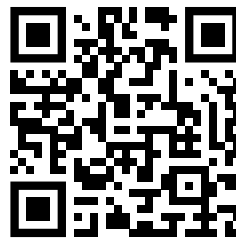

We provide a free pick-up service for students from outside the European Union from the train station or airport in Nice or Lille to the location of their chosen accommodation. Every year, the International Students Office organises orientation events and integration seminars to welcome international students to the EDHEC campus.

> FRENCH CLASSES

— Parlez-vous français ?

French language courses are offered free of charge to facilitate the assimilation of international students.
